

**Long Paws**

# Everyday Outdoor Dog Gear

The **Long Paws** range of performance dog gear is designed for people who appreciate the outdoors, enjoy being active, and love their dogs.

Whether you spend your days hiking through the mountains, running along a sandy beach, or chasing squirrels up a tree, Long Paws will keep you secure, feeling comfortable, and enjoying yourself.

Isn't that what you expect from your dog gear?

We offer a **lifetime warranty** on our Long Paws Range (see website for details).

# Pet Water Bottles

The stainless steel water bottle releases water as your dog licks. It's perfect for outdoor walks and as your dog drinks directly from their own bottle, there is no need to carry a bowl.

# Padded Rope Leash

The Long Paws Comfort Lead is ideal for highly active dogs. They are sturdy, comfortable and secure, and they absorb the shocks from boisterous dogs.

- Woven rope lead with a padded handle
- Shock absorbent rope with a little bounce
- High strength swiveling karabiner
- Clip latches closed to prevent runaways
- Clip is easy on fingers
- Extra ring on the 44in lead handle for attaching accessories or looping the lead
- Up to 190kg tensile strength

## Specifications:

- Orange; Green; Light Blue; Pink; Black/Orange & All Black
- 75cm / 30 inches; 110cm / 44 inches
- Rope thickness: 12mm

# Multi Purpose Training Leash

The new Long Paws Rope Training Leash is a high strength, lightweight woven rope leash, with locking karabiner clips, and adjustable for multiple uses.

- 5 length options allowing either freedom to move or close control depending on your walking / training needs
- Can be strapped over the shoulder for hands-free walking
- Can be used as a coupler leash for two dogs
- Is the perfect tether to secure your dog while you're relaxing

## Specifications:

- Max Length of 200cm / 80in
- 10mm rope thickness
- Strength tested to: 180kg
- Design: Grey/Black

**Long Paws**

# Padded Slip Leash

The Long Paws Padded Slip Lead is a rope leash made from ultra strong woven nylon, and with a loop that can be placed directly over the dog's neck.

The padded handle helps prevent rope burn and the rope has a small amount of spring that absorbs any initial pulling shock. Comfortable to use whether out walking or jogging.

Includes catches to prevent choking and escapes.

Specifications:

- Length: 150cm / 59in
- Rope thickness: 13mm
- Strength tested to: 240kg
- Design: Grey/Black

# Pet Tags

The Long Paws range of pet tags provides a touch of class to every dog and cat's collar. The tags have been crafted from iron and plated with either Nickel, Gold, or Copper. The metallic designs have been sandblasted to provide an antique finish, while the colored tags have an enamel fill. The tags can be engraved either at our warehouse or at your local engraving center.

Tick Remover

# TickPick

Ticks are small blood sucking creatures that can carry a number of infectious diseases and pass these on to pets and humans. Diseases include Lyme disease and Babesiosis.

- TickPick lives on your keychain making sure you're always ready to remove ticks when you find them
- Removes ticks safely without separating the mouth-parts
- Can be used to remove ticks from humans and pets of all sizes
- Safe and easy to use
- TickPick is a perfect addition to every dog parent, equestrian, or hiker's keychain.

TickPick was developed with the help of the Worldwide Veterinary Service (WVS) and a percentage of the profits from sales will be donated to the WVS.
